Apologies, Corri. I think the letter of support could be duplicative of other steps we've taken in talking to GPSN about this grant. However, you are absolutely free to list us as supportive - we just do not have the capacity to pull together a letter at the moment.

Hi Chris and Josue,
Any thoughts on a letter of support for Extera in Montebello from CCSA? We are aiming to submit our application on Friday.

Thanks!

Hi Chris and Josue,

Happy Friday! Wow, what a week!

We are wrapping up final elements of the GPSN planning grant and a question came up about additional letters of support that we could include. We are gathering a couple of letters from the small initial group of Montebello parents that support Extera's expansion into Montebello but in terms of letters from organizations, would it make sense to include a letter from CCSA? If so, this is our request for such a letter! If your support is sort of implied by our referral to GPSN then that's understood as well. Thanks! Let us know.

5. Demonstrated support - *What support do you have for your proposed school? Please include evidence of support (parents, partnerships, support from funders, elected officials, community leaders, etc.).*
